

**New Hampshire Department of Health and Human Services  
Building Resilience Against Climate Effects & Severe Weather**

---

**ADDENDUM #2**

**RFP # 16-DHHS-DPHS-RPHN-BRACE-05**

On October 27, 2015, the New Hampshire Department of Health and Human Services published a request to solicit applications from vendors to develop a plan of action to assess and reduce the public health effects from severe weather events and the changing climate in New Hampshire.

The Department is publishing this addendum to:

**3. STATEMENT OF WORK**

**3.2. Required Services – Q8**

**Delete:**

*Q8. Describe the outcomes you expect from these activities. Include objectives using a SMART format (specific, measureable, achievable, realistic, and time-bound).*

**Replace with:**

*Q8. Describe the outcomes you expect from these activities. Include objectives using a SMART format (specific, measureable, achievable, realistic, and time-bound) for 'process' measures leading to the outcomes you expect by a particular time-bound date.*
