

EIDSS Demonstration

David Barach
Executive Director

good
DONE GREAT

Good Done Great

helping make the good you do, great.

- Founded by nonprofit technology veterans
- Intuit Solution Provider
 - Nonprofit Solutions “in the cloud”
- Trusted advisors who understand:
 - Your mission, goals and needs
 - Technology trends and tools

Poll: Who is on the call today?

Goals today...

- Talk about collaboration in a secure environment
- Show workflows that “meet you where you are...”
- Present a simple, easy to implement process
- Collect Data. Tell the story.

DONE GREAT

Product Demonstration:

GDG's Outcomes Management

Security

HIPAA Compliant, Safe Harbor Compliant

Data Center: Same as Turbo Tax (Scale, Secure, Robust, Proven)

Roles / Security based

Good Data

Complete Data (required fields, not too long, not too short, data consistency)

Ease of Data Entry (grid edit, form creation, validation on fields)

Enforce Best Practices (Ticklers, reminders, email alerts, Dynamic Forms)

Compliance Audit (checking the data that is entered, and indentifying missing data)

Reporting

Dashboards, Application-wide queries

Ad Hoc Reporting, Presentation Quality

Form Generations (in Word), Export to Excel
