

Back to School Checklist

New Hampshire State Law requires that all middle school students be vaccinated against nine preventable communicable diseases. Before your child heads back to school, please follow these important steps:

- Call your child's medical provider.
- Verify your child's vaccinations are up-to-date.
- Schedule an appointment for needed vaccinations.
- Get two copies of your child's vaccination record.
(Give one copy to the school nurse and keep one copy for your records.)

For additional information, call the NH Immunization Program at (603) 271-4482
