

Realistic Job Preview: Introduction

Commissioner Toumpas: Hi, I'm Nick Toumpas. I am the Commissioner of the Department of Health and Human Services. We are an amazing organization and we touch the life of every man, woman, and child in the state everyday. We have over 3,000 people working at over 50 locations across the State. I hope you consider an opportunity to be able to work with the Department of Health and Human Services. In so doing you have an opportunity to be able to help people. You will find it incredibly rewarding, but also frustrating, challenging, it will have stress but in the end you'll be able to look every day and say, "I was able to help people."

So I want to thank you for considering an opportunity to be able to work with the State of New Hampshire as a public servant, but in particular to be able to work with an amazing organization called the Department of Health and Human Services. And again I thank you for considering that type of an opportunity.
