**Important Notice for NH Medicaid’s Family Planning Providers**

Under the New Hampshire Health Protection Program’s Premium Assistance Program (PAP), members will be enrolled in one of the following five commercial Qualified Health Plans (QHP), for health care coverage beginning January 1, 2016:

- Ambetter \* Anthem Blue Cross and Blue Shield \* Community Health Options**
- Harvard Pilgrim Health Care of NE \* Minuteman Health**

To assure access to choice of providers, a PAP member may go to an enrolled Medicaid family planning provider not enrolled in the member’s QHP. If a family planning provider is in their patient’s QHP network, the provider must bill the QHP for family planning services and supplies. But if the family planning provider is not in their patient’s QHP network, the Medicaid family planning provider can bill the state’s fee-for-service Medicaid program through MMIS.

**Eligibility in MMIS**

Before providing services, please check a recipient’s eligibility for PAP family planning services in the MMIS system as follows:

1. Go to The *Eligibility Status* screen, which will list **NH Health Protection Program**.
